

WHISKEY BENT BCB

Date of Birth: 02/27/2018 **Registration 1:** BI98862*

Breeder: Brent & Cindy Bolen
Owner: Bolen/Beck Partnership

Whiskey Bent BCB has sired many beautifully colored calves. He passed on that strong topline and other important traits including long bodies with good spring in their ribs. They have nice shoulders and plenty of room from their hooks to their pins. He also passes on that wonderful and gentle disposition that his sire had. He's a natural bred son of the late Fifty-Fifty BCB. We think a lot of his dam, Queen Bee BCB. She was born here over 15
